

Sunday August 20th, beginning at 11am

Clean Round/Jump Off

A simple 10 fence stadium course. If you jump it clean, remain in the arena for a timed 4 fence jump off. Fastest clean jump off wins.

Solo Cup Challenge

All riders in the division will enter the arena together. Each rider will be given a solo cup filled to the brim with water. No specific gait requirements, but when the command (in between inspirational music) is given to JUMP, all riders must jump one fence. This will continue for 10 jumping effects, at which time the water level in the cups will be measured. The rider with the most water remaining wins!

Musical Freestyle

Musical Freestyle! This is an exhibition class, not competitive. We will play your musical selection on our JBL speaker. There are jumps in the arena, you may jump any, all or none. Have fun with your dressage between or around the jumps. Individual, Pas de Deux, Pas de Trois, a team...anything goes!! Just ride to your music! Costumes encouraged.
